SUNSHINE COAST
**COLLECTIVE
MARKETS**

**TWO EXCITING DATES A MONTH
AT TWO EPIC LOCATIONS!**

Amazing food, groovy music, one of a kind products from local artisans and so much more!

Our market gives small businesses a place to showcase and sell their **LOCALLY MADE** and **LOCALLY DESIGNED** products to a supportive community of visitors who believe in the power of shopping local.

Each market we bring a variety of artisan stalls, along with local food trucks and different musicians from around the Sunshine Coast. We like to focus on community and creating a place where people can explore their creative dreams as well as encouraging and supporting all different types of people doing what they are passionate about.

Visiting markets in our culture, is a unique way to connect with those who are making the products you purchase and understanding that your support has a bigger effect than you might realise.

Come see us at our new dates this year and join the movement of shopping local!
